MESSAGE FROM THE CHAIRMAN

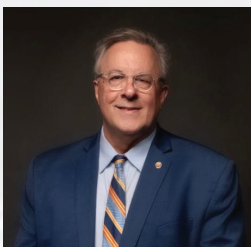

The Republican Party of Wisconsin has built a strong foundation for success this year. It's now time to get to work exposing the truth about Biden's blunders and how his agenda is hurting hard-working Wisconsin families.

As Chairman, I have crisscrossed the state talking with voters and sharing how Republicans can get America back on track.

I hope you will join me at the upcoming convention in May and help pave the way for conservative victories in November. See you in Appleton!

Chairman Brian Schimming
